## A HUGE THANKS TO LOUIS...

Louis Wynne has been our club secretary since our inception in 2016. He's played a major role in helping to make the club what it is today; from two teams and around 30 players to 11 teams and over 160 players.

Now living in Scotland, Louis has continued to dedicate his time to the club over the past couple of seasons, however the time has now come for him to step-aside.

We want to thank Louis for his commitment and dedication to Ealing United over the past seven years and wish him all the best for the future! You're welcome back anytime Louis.

## TRAINING GETS UNDERWAY

The new season is upon us, with training having started this past week. We do ask that players sign up for and attend training, to ensure consistency across all age groups. If your child can't attend training please inform your Team Manager and/or our head coach, Mike.

Please check days and times on our website and use the link to book your child's place on the appropriate training course.

## WE'RE FA ACCREDITED

**ACCREDITED CLUB** ★  
PART OF ENGLAND FOOTBALL

We are delighted to now be an *England Football Accredited Club*. England Football Accredited is the new framework for League and Club accreditation, and replaces The FA Charter Standard.

Accreditation is awarded to clubs who create the experiences and environments where players, coaches and volunteers can thrive.

**'ACCREDITED CLUBS ARE MORE SUSTAINABLE, MORE RESILIENT AND BUILT TO LAST'**

## FOOTBALL FOUNDATION GRANT

Further good news comes in the form of a Football Foundation grant. Our application for new goalposts at Mervyn Rd was accepted, with funding awarded for two new pairs of goals, one set for the 9-a-side pitch and a set for the 7-a-side pitch. The club provides part of the payment (£1500), with the grant covering the other £2000.

We will soon be applying for further grants for improved storage facilities and refurbishment of the cafe and changerooms.

## TEAM MANAGERS REQUIRED

We can't function as a club without the support of parent volunteers. We have a number of parents who help out regularly but are always looking for more! If you can offer some time to support on weekends at Mervyn Rd, or would like to do more and become a team manager, please contact us.

At the time of writing, we're needing team managers in the U7 & U9 age groups.

## WHATSAPP GROUPS

Just about the most challenging task for any grassroots football club is the organisation of squads and teams for each age group. Our coaches and team managers do their best to manage this process, with our teams for the 2022-23 season now setup. Those involved in a team should have been added to the relevant WhatsApp group. Information regarding matches, including kick-off times and locations will always be posted on your WhatsApp group.

Please direct team queries to your team manager via this WhatsApp group. Anything they can't answer will be passed onto the coaching team and/or club board.

## KIT DUE IN THIS WEEK

For those who have ordered new playing kit for the 2022-23 season, this will be ready over the coming week, in time for the start of the new season.

The majority of kit will be handed to Team Managers to pass on, with the remainder handed out at training in the next fortnight. The playing kit remains the same as the kit worn for the 2021-22 season.

WITH THANKS TO OUR SPONSORS...
