

Season 2022-23

EALING UNITED FC

SEPTEMBER - DECEMBER REVIEW

Now four months into the season, we look back at what has been a busy start for all involved. Training has been running at full capacity for many age groups, with coaches Mike, Dan & Rory working hard to develop our club and player characteristics, club values and playing approach.

There's been good progress on match days too, with a number of teams starting to put into practice what they've developed in training, making for positive results.

In the older age groups, our U12 Reds (1st) and U14 Reds (2nd) having been leading the way in their respective [Harrow Youth League](#) competitions.

JANUARY - MARCH 2023 TRAINING

Training for the new year starts on **Tuesday 3rd January**, with U8 and U12. We ask parents/carers to ensure players are signed up for training in advance of the first session of the term.

Training for the Spring term commences on **Tuesday 3rd January 2023**.

The last week of training will be **March 27 - 31**.

There will be no training during the February half-term break (**February 13-17**).

Having all players signed up for and attending training is essential; helping to build skills, teamwork and ensure consistency across all age groups. If you can't attend training please inform your Team Manager and/or one of our coaches.

Please note

The booking system for training has changed. Please use the direct links on the next page to sign up. As the links are no longer password protected, they will not be placed on the club or Park Sports website. We ask that you don't share these links with anyone outside EUFC.

FRIDAY

[*U14 Red \(Year 9\): 6pm - 7.30pm \(at Cardinal Wiseman Catholic School, UB6 9AW\)](#)

**Booking details will be sent separately*

NEW GOALS AT MERVYN RD

We were successful in our recent grant application for new goals at Mervyn Rd, receiving Football Foundation funding for new 9-a-side and 7-a-side goals. Huge thanks go to the parents who spent a few hours (and more) of their spare time putting the new goals together. The 9-a-side goals have been in place for a number of weeks and the 7-a-side goals are now in place and ready for use.

We intend to make further grant applications in the coming months to improve the clubhouse / cafe facilities at Mervyn Rd.

VEO CAMERA IN ACTION

The club has recently purchased a Veo 2 camera. With Veo's powerful AI technology, it automatically produces game highlights showing kick-off, half-time, full-time, and all of the game's key events, including goals. Veo is not only a camera; it is also an analysis tool.

Our U13, U14 & U15 teams have been fortunate enough to benefit from use of the Veo 2. Footage is shared with players, who are able to review their performance. Head coach Mike is looking to develop further analysis, linking in with the development of our club characteristics and playing approach.

MATCH FEES DUE

Match fees for the September - December block of games are now due. Fees are paid on a per game basis.

U7 - U12 = £2.50/game

U13+ = £5/game

Team managers will contact parents to collect these fees. Please direct any match fee queries to your team manager.

*Fees to be paid directly to your team manager, by Friday 13th January
Reduced fees for low-income families (50%)*

FA COACHING COURSES

Interested in developing your football knowledge? There are a number of free online courses on offer to parents, which as a club we strongly recommend. Always useful for those weekends when your team manager or coach needs a little extra support.

EE Playmaker Course

- Free online coaching course (3-4 hours)
- Linked to your England FAN account

Guide to Laws of the Game

- Free online refereeing course (2 hours)
- Linked to your England FAN account

We would like to get parents' and players' views on the current club logo. Do you think it represents the club and our players? Have you any suggestions for a new logo? All views welcome. Email ealingunited@gmail.com

GIRLS' ONLY TRAINING SESSIONS

We are introducing a new girls' only training session on Saturday mornings, linked in with the FA's strategy to create a sustainable future for women's and girls' football. Sessions will be open to girls of primary school age (5-11), running from 9.30am - 10.30am. The aim is to have an EUFC girls' only team up and running in the next couple of years.

Do you have a daughter who'd like to get into football, or know of someone else who does? Head to the Park Sports website to book.
